

## **Driving Directions to the Front Door of the Castle :**

(to be used in conjunction with the map enclosed)

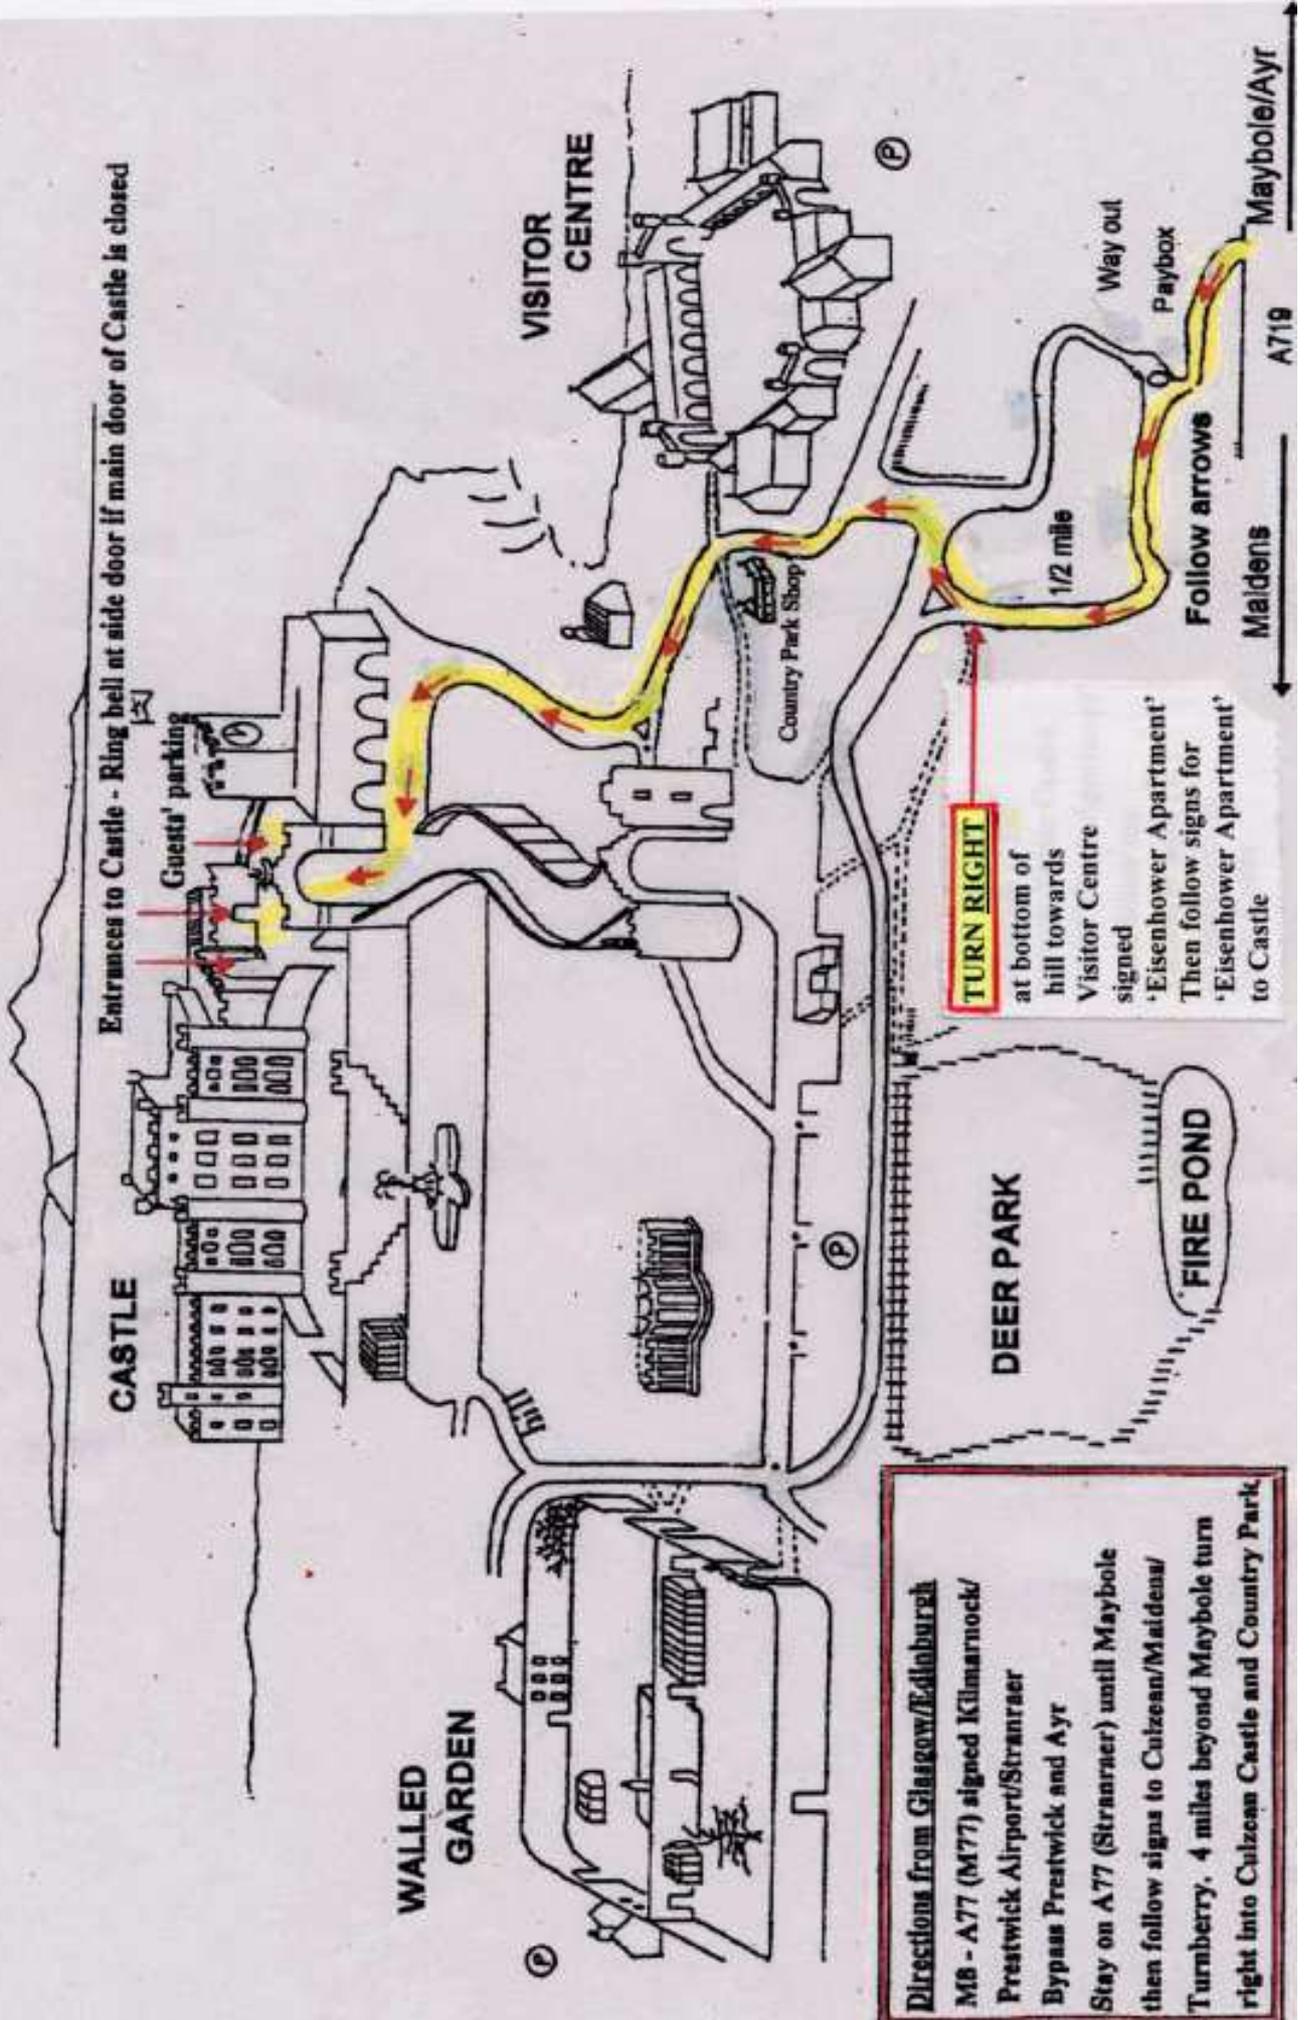

On entering Culzean Country Park, please stop at the Paybox to acquaint yourself with the staff and confirm directions to the front door of the Castle if necessary.

- Follow the traffic route to the bottom of the hill (a one-way system) – you will see ‘Eisenhower Hotel’ marked on the signpost.
- Take the right hand fork and then turn left towards the Visitor Centre, which is in sight.
- Turn left at the Visitor Centre (‘The Eisenhower Hotel’ marked on the signpost) and follow the single lane tarmac road (past the 2<sup>nd</sup> Hand Bookshop on your left) to the bottom of the hill (a sharp right hand then a sharp left hand bend).
- At the bottom of the hill continue to your right, up the hill towards the garages (five arched brown doorways) and turn left in front of them, so that the garages are on your right hand side.
- This brings you through a stone gateway with the end of the Viaduct on your left. Now turn right, passing under the sandstone archway, which brings you into the carriage ring.
- Go left round the carriage ring to the opposite side where you will find a gravel parking area to the left hand side of the raised Viewing Platform. Please park your car in this area, showing consideration for others who will also need to park here.
- If arriving during Castle opening hours, please enter the Castle by the front door and introduce yourself to the Receptionist on duty.
- If arriving after the Castle is closed (after 5.00pm), please ring the bell on the small side door (to the right of the front door) marked ‘Castle Apartments’. Please allow time for a member of staff to come from the top floor of the Castle to answer the door.

In the unlikely event that you become lost please do not hesitate to contact Culzean Castle on 01655 884455, from 9.00am until 5.00pm.

From 5.00pm, or on weekends, please contact the Eisenhower Hotel Duty Manager on 01655 884507 (you may have to let this number ring for a little while).
